About REACH

成都瑞迪智驱科技股份有限公司(股票代码:301596)始于2009年。业务与技术可追溯至1996年成立的瑞迪实业。公司位于成都双流,是国家高新技术企业,致力于为高端装备提供核心部件解决方案。

公司主营产品涵盖谐波减速机、电磁制动器、及精密传动件,拥有133名技术人员,累计获得知识产权138项。我司产品广泛运用于机器人、自动化装备、工程机械、风电、数控机床、智能辅助驾驶等领域,凭借持续的技术创新与高效服务,与全球众多行业企业建立了稳固的合作关系。

我们秉承"睿智创新,驱动产业进步"的使命,恪守"品质、担当、敏捷"的价值观,凝聚全体员工与合作伙伴之力,坚定不移地向"成为全球客户首选"的愿景迈进。

REACH Machinery Co., Ltd. (Stock Code: 301596 was founded in 2009, with its business and technology origins tracing back to REACH Industry, established in 1996.Located in Shuangliu, Chengdu, the company is recognized as a National High-Tech Enterprise. It is committed to providing core component solutions for high-end equipment.

The company's main products include harmonic reducers, electromagnetic brakes, and precision transmission components. It employs 133 technicians and has accumulated 138 intellectual property rights. Our products find wide application in robotics, automation, construction machinery, wind energy, CNC machining, and intelligent driving assistance. Through continuous technological innovation and efficient service, the company has established strong and stable partnerships with numerous enterprises worldwide.

Adhering to its mission of "Smart Innovation, Driving Industries Forward," the company upholds the core values of "Quality, Dedication, Agility." By uniting the efforts of all employees and partners, it is steadfastly advancing toward its vision of becoming the "To Be the Preferred Brand for Global Customers".
